THEMATIC ASSEMBLY- RESPECT FOR ALL
EVERYONE DESERVES IT!

The special assembly on the theme 'Respect for All' conducted by class III A on 28th August, 2024. The programme commenced with seeking Almighty's blessings through a prayer, followed by pledge, thought of the day, news headlines, word of the day, speech and poem. Through a skit, students highlighted the importance of respect in our daily lives, whether it's towards our peers, teachers, or the environment. Students also explored different dimensions of respect, emphasizing its role in building a positive and harmonious community. Further with an energetic dance performance, the students gave an important message that respect is a universal value and it creates harmony in the world. The song performed by the students showed the value of respect. Its lyrics echoed the importance of treating everyone with respect, kindness and dignity, regardless of who they are or where they come from. It displayed that respect is not just a word but a way of life. The students were encouraged with an appreciation and motivational message by ma'am Principal. It was a wonderful and informative programme to witness.
