

ST. THOMAS SCHOOL, LONI

REPORT ON ROAD SAFETY ACTIVITY

CBSE has planned National Road Safety Month from 15th January to 14th February for all the Private and Government aided Schools to spread awareness related to road safety. St. Thomas School, Loni took part in this campaign and organized road safety week.

The primary objective of the road safety activity conducted in St. Thomas School, Loni was to raise awareness among students about the importance of road safety measures and to educate them on how to be responsible pedestrians and future drivers.

Activities were conducted for grade 6th to 8th

A detailed session was conducted to educate students about various road safety rules and regulations, including traffic signals, pedestrian crossings, and speed limits.

Students were informed about the significance of wearing seatbelts while traveling in vehicles and the potential risks of not doing so.

A discussion on the dangers of distracted driving, particularly the use of mobile phones, was held to emphasize the importance of focusing solely on driving while behind the wheel.

Activities for classes 6th to 8th

Students of class 6th were engaged in a slogan writing activity focusing on road safety themes. They showcased their creativity with catchy slogans and illustrations promoting safe road behaviour.

Song and Video presentation on Road safety was done for class 7th. The session was informative and interactive.

Rally was conducted for class 8th students.

The road safety activity conducted in St. Thomas School, Loni was a significant step towards fostering a culture of responsibility and awareness among students regarding road safety. By actively participating in interactive sessions, Songs, Video presentation and creative activities, students gained valuable insights into the importance of following road safety rules and regulations.
