

ST. THOMAS SCHOOL, LONI

PUPPET SHOW

Playing with puppets is one of the most educational activities that can be exposed to the children. It helps in enhancement of language development and listening skills. Story telling comes alive with puppets. A puppet show was held on 28-07-2023 for classes - I, II & III. The theme of the puppet show was - "The Adventures Of Healthy Heroes". Students were able to learn about the importance of health and hygiene to prevent the spread of infectious diseases. The children were thrilled to see the endearing puppets with the delightful animated voices depicting a very informative performance. The audience was in awe as the splendid show unfolded on the stage with the valuable message on the benefits of cleanliness and the students were encouraged with a motivational speech by Ma'am Principal. It was a wonderful and informative show to witness.
