## REPORT

### PARLIAMENT VISIT

On October 18, 2024, 82 selected students from classes 9 to 12 visited the new building of the Parliament (Lok Sabha and Rajya Sabha) as part of an educational trip aimed at understanding the legislative process.

Students explored the modern architecture and facilities of the new Parliament building, learning about its significance in contemporary governance.

The group had the opportunity to observe both the houses.

An interactive session with Parliamentary staff allowed students to inquire about the roles and responsibilities of MPs, the legislative process, and civic engagement.

This visit was an invaluable experience, deepening students understanding of Indian democracy and encouraging them to participate actively in civic life. The insights gained will enhance their studies in humanities and inspire future involvement in governance.
