

ST. THOMAS SCHOOL, LONI

SESSION: 2024 – 25

CLASS: II-D

THEMATIC ASSEMBLY: FATHER - AN UNCONDITIONAL LOVE

On 23-Oct-2024, Class II-D conducted a thematic assembly on Father – An unconditional love. The assembly began with a prayer, followed by a pledge, word of the day, thought of the day, and news.

The objective of this thematic assembly was to celebrate and understand the concept of a father's love—an unconditional, selfless, and enduring love. It aimed to help children realise how important fathers are in their lives and the many ways they show love, care, and support. The assembly focused on promoting gratitude and appreciation for fathers and father figures. A heartfelt poem was recited by a student, which focused on the warmth, care, and dedication a father shows.

A student gave a short speech about fathers and their role in families. The speech touched upon how fathers love their children unconditionally and the importance of a father in a child's growth and development was emphasized.

Students performed a song dedicated to fathers, celebrating their love and the bond shared with their children. Children also danced on a cheerful song, expressing their appreciation in a joyful and fun way. A small group of students performed a skit based on the theme. The moral was clear: a father's love is constant, unwavering, and unconditional.

Ma'am Principal appreciated the students for their efforts and explained how our fathers play an important role in our lives. Their love is unconditional, and this theme was brought to life so wonderfully by all the students. The assembly was both informative and inspiring, leaving the audience with a valuable lesson for life.
