

ST. THOMAS SCHOOL, LONI INQUIZITIVE – III SESSION – 2021-22

“What we know is a drop. What we don’t know is an ocean.” - Isaac Newton

The Science Department organized **“Inquizitive –III” – The Science Quiz Competition on 15 th February 2022 (Tuesday)**, through Microsoft Teams. The Theme of the quiz was **“Human Health and Diseases”**. The selected students of classes VI – IX from four houses; Aravalli, Himalaya, Nilgiri and Vindhya participated in the competition. The participants faced four different rounds. On the basis of their performance and cumulative score of all the four rounds, Team Aravalli was declared as the winner. The programme culminated with the result announcement and motivational speech by Madam Principal.
