

ST. THOMAS SCHOOL, LONI
SPECIAL ASSEMBLY CLASS – III
RAKSHABANDHAN AND JANMASHTAMI

*“It is very obvious that there will be victory of truth always,
So always try to do the things told by Lord
Krishna and behave like Lord Rama.”*

The programme commenced with seeking almighty’s blessings through prayer song followed by News Headlines, thought, word of the day and a special pledge on Rakshabandhan. Importance of Rakshabandhan was explained through a speech followed by a lovely skit. The main objective behind celebrating ‘Raksha Bandhan’ was making the children aware about the virtuous bond of love between a brother and a sister which is one of the deepest and noblest of all human emotions. Children dressed up in colourful dresses sang the song to show their love for Lord Shri Krishna. Mono act of freedom fighters were also included to add the colours for ‘Aazadi Ka Amrit Mahotsav’ which was beautifully depicted by the senior students. The children showed their dance moves through a lovely dance performance to show the lord Krishna’s naughty side. The comperes, dancers, singers and all participants performed to their best of abilities. The vibrant, colourful attires and innocent smiles brightened the ambience and lifted the spirit. The premise was decorated beautifully. The celebration was truly entertaining and educating. The programme culminated with appreciation and motivational message by ma’am Principal.
