

ST THOMAS SCHOOL, LONI

CLASS- III-D

THEMATIC ASSEMBLY- SEASONS

MAGIC OF SEASONS

The special assembly on Seasons conducted by class III-D was held on 29th September, 2023. The program commenced with seeking Almighty's blessings through a prayer, followed by pledge, news, thought of the day, word of the day. The student recited a short poem on the four seasons. Some students gave the introduction of the respective trees and things we use in different seasons by small act. Further with an energetic group song on seasons, students explained what people do in different seasons. Lastly, the assembly concluded with four energetic dances on four different seasons, starting with Spring season followed by Summer season, Rainy season and Winter season. The students were encouraged with an appreciation and motivational message by ma'am Principal. It was a wonderful and informative program to witness.
