

ST. THOMAS SCHOOL, LONI

CLASS- I A

THEMATIC ASSEMBLY- MONEY

The special assembly on money conducted by class I A was held on December 8, 2023. The program commenced with seeking Almighty's blessings through a prayer, followed by a pledge, thought of the day, news headlines, and word of the day. Then, students explained the modernization in terms of money. They explained it with a skit. Students explained how changes came from the barter system to cashless transactions. Further students danced, and after that sang a beautiful song about saving money. The little ones left everyone spellbound by their oratory, acting, and dancing skills. Principal ma'am appreciated and applauded the efforts made by the students and expressed her heartfelt gratitude. The program culminated with an appreciation and motivational message by Ma'am Principal.
