30-10-23,Monday-The programme commenced with seeking almighty blessings through prayer song, followed by a lovely poem on “good manners” which was recited by little tiny tot. The importance of good manners was explained very beautifully through a small skit performed by all the class Nursery-B students in a very innovative way. The vibrant colourful attires and the innocent smiles and gestures of little ones lifted the spirit .The assembly was truly informative which will brush up our kids to behave in a proper manner and which magic word to say when required.The program culminated with motivational message by the Kg coordinator.
