“LAUGHTER YOGA”: The celebration of World Laughter Day is a positive manifestation for world peace and is intended to build up a global consciousness of brotherhood and friendship through laughter. It is most often celebrated with the sole purpose of laughing. One of the main benefits of laughing yoga for children is its ability to boost physical health. Laughter is a form of cardiovascular exercise that can help to increase oxygen flow to the brain, improve circulation, and boost the immune system. Mommy loves me, this I know,

For she always tells me so.

She holds me when I'm scared or sad,

She understands me, when I am mad.

Yes, mommy loves me, yes mommy loves me,

Yes, mommy loves me, she always tells me so.

I love you too mommy.
