22-04-25, Tuesday: ACTIVITY-"GREEN EARTH GATHERING"

We're excited to celebrate Earth Day on Tuesday, 22nd April! To mark this special day, you are requested to kindly send your ward in any white t-shirt and blue jeans. We also encourage them to bring any items related to plants, such as:

Leaves, flower, fruit, food or pictures related to it (They can even wear headgear). This will help us to make them explore and appreciate the wonders of nature and all that we receive from our planet!
