

ST. THOMAS SCHOOL, LONI
SESSION- (2019-20)
CLASS-I

Dear Children,

We pray that you and your families stay healthy, happy and safe. In this current situation,

We request you to follow all kinds of precautions and pray for the peace around the world.

You are really important to us and we really care for you and we want you to care for yourself and your loved ones.

Stay safe, healthy and aware. With this thought, just to break down the monotonous routine and to add creativity with some knowledge here is a small worksheet for you.

Q1. As prevention is better than cure, let our little ones learn how to make a mask to prevent themselves from coronavirus through the following link:

Q2. Read the story **Goldilocks and the Wolf** by **Hilary Robinson**.

Q3. Read the story, underline the nouns and learn the difficult words.

A tortoise was resting under a tree, on which a bird had built its nest. The tortoise spoke to the bird mockingly, “What a shabby home you have! It is made of broken twigs, it has no roof, and looks crude. What’s worse is that you had to build it yourself. I think my house, which is my shell, is much better than your pathetic nest”.

“Yes, it is made of broken sticks, looks shabby and is open to the elements of nature. It is crude, but I built it, and I like it.”

“I guess it’s just like any other nest, but not better than mine”, said the tortoise. “You must be jealous of my shell, though.”

“On the contrary”, the bird replied. “My home has space for my family and friends; your shell cannot accommodate anyone other than you. Maybe you have a better house. But I have a better home”, said the bird happily.

Q4. Write 5 precautions to be taken to prevent **Covid 19**:

- a) _____
- _____
- b) _____
- _____
- c) _____
- _____
- d) _____
- _____
- e) _____
- _____

Q5. Open up your brain and find out the words related to the hospital from the crossword given below:
