

## **GREEN OLYMPIAD 2021-22**

To raise environmental consciousness and instill sustainability linked choices amongst youth, TERI undertakes several education and awareness building initiatives. GREEN Olympiad is a step in this direction, and since 1999 this initiative reaches out to over 2000 schools with a participation of approximately 2,00,000 students annually. The Olympiad is for students of Std. 4-12 from schools in India and abroad.

In 2021, GREEN Olympiad envisages inclusion of an additional theme of 'Green Skills', which are essential for an overall growth and enhancement of employability of youth.

Students from Classes VI-IX participated in the Green Olympiad which was conducted online on 10<sup>th</sup> -15<sup>th</sup> November 2021 and 6<sup>th</sup> – 15<sup>th</sup> December 2021.
