

# ST. THOMAS SCHOOL, LONI

## MONTHLY ACTIVITIES PLANNER, APRIL (2024-25)

### NURSERY & PREP

- **ACTIVITIES OF THE MONTH:**
- **03-04-24, WEDNESDAY - MY SCHOOL TOUR**
- **05-04-24, FRIDAY - EMOTION CARDS**
- **08-04-24, MONDAY - STORY TIME**
- **22-04-24, FRIDAY - THE HANGING PLANTERS**

### MY SCHOOL TOUR: "WELCOME TO THE WORLD OF LEARNING"

**Friendship Tree:** Teacher will help making a mini poster and have every student stamp their hand print on the tree branches for a fun welcome-to-school art activity that makes every child feel welcome. It will help students to have the bonding between the peers and the teacher.

### EMOTION CARDS

**Emotion Cards:** Teacher will be sharing the emotion flash cards to the students which will help all the students recognize and share their feelings with their classmates and teacher. They will be clear with their emotions.

### STORY TIME

**Can You Guess? A Story in Two Voices:** Teacher will be narrating a story and will be showing puppets based on it and then will be asking the questions to the students related to the same. To have them read aloud the story will be a fun for them.

### THE HANGING PLANTERS

Often when we think we are at the end of something, actually we are at the beginning of something else." "There is no such thing as 'away'. When we throw anything away it must go somewhere." "When we put the whole picture together, recycling is the right thing to do."

To teach children the recycling of plastic as there's no right age for a child to learn about this and we believe to start things as early as possible. To teach children the importance of plants we will be conducting this activity on "EARTH DAY".

Parents are requested to send any unused plastic bottle (transparent, medium size) on 22-04-24, Monday. You are also requested to send your ward in any blue or green casual clothes to celebrate the day.
