**RHYMING WORDS**

Q1. Underline the rhyming words in the following poem:

I look in the mirror

And what do I see?

A pair of eyes

Looks back at me

A nose, two ears,

Two eyebrows, too:

Two lips, and teeth , to say

“ I love you.”

I look in the mirror

and what do I see?

I look in the mirror

And I see ME!

Q2. Write three wishes that you want to be fulfilled in this new year.
