

ST. THOMAS SCHOOL, LONI
SPECIAL ASSEMBLY – REPUBLIC DAY &
CHRISTMAS (KINDERGARTEN)

“The more you celebrate your life the more there is in
your life to celebrate”

Life is a celebration and we could not set any boundaries of time to celebrate happiness. The students of Kindergarten conducted a virtual special assembly on 21st January 2021 (Thursday) - **Christmas and Republic Day**. The assembly commenced with Morning Prayer which was followed by pledge and thought.

Melodious Carol songs sung by our budding singers and fantastic dance performed by the little dancers on Christmas.

For Republic Day, children represented glimpses of different states of India. This inculcate the sense of patriotism in the hearts of India's little citizens. A short presentation on Republic Day enhanced the knowledge on this National Festival.

The whole programme was compered by our little comperes which was really commendable.
