Chapter 22 - Our Government

Government can be defined as a group of people that governs a community. It takes decisions and enforces laws for the citizens of the country.

Government of India works at two levels:

- Central Government
- State Government

Central Government

The Government at the Centre is called the Union or the Central Government. The Central Government makes laws for the whole country and is concerned with matters of national importance.

State Government

State Governments make laws for their respective states.
