

ST. THOMAS SCHOOL, LONI
MATHS WEEK CULMINATION ASSEMBLY
CLASSES: VI-VIII

“An equation for me has no meaning unless it expresses a thought of God”.

- Srinivasa Ramanujan

The culmination of **Maths Week** was celebrated with an exciting and interactive assembly on 18th Jan, 2024 in St. Thomas School. The event highlighted the beauty of mathematics through creative performances. The assembly commenced with seeking almighty’s blessings through a prayer followed by an informative speech about the life of great mathematician **Srinivasa Ramanujan**. Students of class VIII performed an engaging skit –‘**Percentages The Haughtiest Of All Fractions**’. Combining wellness with numbers, students demonstrated **Yoga Poses** while incorporating mathematical principles such as angles, symmetry, and patterns. This innovative session left the audience in awe. A unique segment - **Maths Fashion Show** where students showcased costumes inspired by mathematical concepts like shapes, numbers, and formulas. Each outfit was accompanied by a brief explanation of its significance. It fostered a culture of curiosity, critical thinking, and creativity, leaving participants with a deeper understanding and appreciation for the diverse facets of mathematics. The culmination of Maths Week was a grand success, blending learning with fun and creativity. The events not only showcased the multifaceted applications of mathematics but also fostered teamwork, confidence, and enthusiasm among students. The assembly ended with a vote of thanks and the promise to continue inspiring young minds through innovative initiatives in the future.
