- ❖ **Let's make the children aware of the value of money, inculcate in them the habit of saving money, use of piggy bank etc.**
- ❖ **Young children need to learn that money does not grow on trees or get freely dispensed from ATM. Build your child's money skill.**

- ❖ **It is the right age to develop the cognitive skills necessary to understand the basic monetary concepts.**
- ❖ **Such activity also helps children to understand the difference between earning, spending and saving.**

➤ **Kindly send Rs. 20/- on 07.02.2020 (Friday) positively for “Shopping Bonanza”**

➤ **Bring a sling bag for shopping on 13.02.2020 (Thursday)**
