

ST. THOMAS SCHOOL, LONI
NATIONAL MATHEMATICS DAY
ASSEMBLY
CLASSES VI-VIII

The Indian mathematical genius Srinivasa Ramanujan was born on 22 Dec 1887. It was in recognition of his contribution to mathematics, the Government of India decided to celebrate his birthday as the National Mathematics Day. To celebrate this day, students of classes VI-VIII organised a virtual special assembly on 22 December 2020 to celebrate National Mathematics Day. Students of class VIII presented Mathematical assembly with a Mathematical prayer, thought, word of the day and amazing facts related to life of Ramanujan followed with a speech on National Mathematics Day. To highlight the contribution of Indian mathematician Srinivasa Ramanujan in the field of Mathematics, students of class VI and VII presented a short biography of Ramanujan discussing his life, struggles and achievements through a Power Point Presentation. Students then participated in quiz competition "The man who knew infinity -A quiz on Ramaujan". The assembly was concluded with a screen share of culminating video for Maths week celebrated in St. Thomas School, Loni from 17th Dec to 21st Dec and declaration of results of different challenges of Maths week by Ma'am Principal.
