**THEMATIC ASSEMBLY – BELIEVE IN YOURSELF**

On 5th December 2024, Class I-A conducted a thematic assembly on the topic "Believe in Yourself." The assembly started with a prayer, followed by the pledge, word of the day, thought of the day, and the news.

The highlight of the assembly was a skit where students creatively demonstrated how believing in yourself is a powerful tool for staying motivated. The skit delivered a strong message that when you believe in your abilities, you're more likely to take action and keep going, even when things get tough. The children also showcased their dance moves through a wonderful dance performance.

The comperes, dancers, singers and all participants gave their best, delivering performances that were captivating and full of energy. Their enthusiasm left a lasting impression on the audience.

The assembly was both entertaining and educational. It concluded with an appreciation and a motivational message from the Principal.
