

ST. THOMAS SCHOOL, LONI

MATHS WEEK INAUGURAL ASSEMBLY

CLASSES: III-V

On 13th December 2024, St. Thomas School, Loni, organized the Inaugural Assembly to mark the beginning of Maths Week for the academic session 2024-25. The event, showcasing the talent and enthusiasm of students from classes III-V, began with a prayer by the school choir and was expertly hosted by Class V students.

The assembly included a Pledge, an inspiring Thought for the Day, the Word of the Day, and News Update. A meaningful speech on the importance of mathematics was followed by a vibrant dance performance and a creative poem recitation. A thought-provoking skit highlighted the practical applications of mathematics in everyday life. Ma'am Principal wrapped up the assembly with an encouraging address, inspiring students to approach mathematics with curiosity and enthusiasm. The event ended with the National Anthem, uniting everyone in a spirit of pride and solidarity.
