

St. Thomas School, Loni

## Computer Worksheet (October)

Class I

### Chapter 7- Data and Memory

**Instruction:** Cut out the game pieces below, mix them up and place them face down on the floor. Begin the game by Turing one piece over, then another. If they match, put them in a pile. If they don't match, turn both pieces over and try again. Repeat until you have made all the matches. Enjoy playing this game with your friends and family. **Happy Diwali.**
