

**ST. THOMAS SCHOOL, LONI**  
**SESSION: 2023-24**  
**CLASS-II-A**  
**THEMATIC ASSEMBLY: CLEANLINESS**

On 13<sup>th</sup> October 2023 class II-A presented a Thematic assembly on "Cleanliness".

**Cleanliness is a state of purity,  
clarity, and precision.**

Our main objective in conducting such an assembly, was to instil the importance of Cleanliness in our daily lives and how children can integrate the same in their habits.

Children took the pledge, presented the speech on how to look after personal hygiene. A group of children sang the beautiful song on the subject. After that children presented a skit on why the cleaning of our surroundings is important and how we can achieve it everywhere. The play was based on class cleanliness being littered by children and the effect of this on the trees. The children seemed drawn, and they listened attentively. The assembly concluded with a melodious choir and Swachh Bharat dance presented with full zeal by the students. The students thoroughly enjoyed it. The assembly culminated with appreciation and motivational message by ma'am Principal.
