

ST THOMAS SCHOOL, LONI

SESSION 2023 - 24

CLASS - II B

TOPIC

Time Management

Class II students conducted a captivating school assembly on the theme of "***Time Management***." The assembly began with a classical dance and prayer by choir and a pledge, where students committed to making the most of their time and using it wisely.

The assembly included a thoughtful quote, and a new word, "Time Management" was added to their vocabulary.

A lively dance performance showcased the idea of planning and prioritizing tasks to make the best use of time.

The highlight of the assembly was a creative puppet show that delivered a powerful message about the significance of time management. The puppets emphasized setting goals, creating schedules, and avoiding procrastination.

A beautiful poem was recited by the student, highlighting the value of time and the need to cherish every moment.

The assembly left students with a strong message that Time is a precious resource, and by managing it wisely, they can achieve their goals and dreams.
