

ST. THOMAS SCHOOL, LONI

Special Assembly – Mathematics Week (Inaugural Day)

Classes – III- V

The Students of classes III – V conducted a virtual special assembly on 12th December 2020. The theme of the assembly was Importance of Mathematics.

The assembly commenced with Morning Prayer which was followed by thought, word of the day, pledge, news and amazing facts on Mathematics. The importance of Mathematics Day and contributions of great Mathematician Srinivasa Ramanujan were well explained by the students. Mathematics makes our life orderly and prevents chaos. Certain qualities that are nurtured by mathematics are power of reasoning, creativity, critical thinking, and even effective communication skills. This was well explained through a wonderful role play by the students of classes III and IV. The assembly culminated with the announcement of Virtual Maths Week Celebration from 17th December 2020 to 21st December 2020.
